

Newton's Third Law Demonstrations

MECHANICS	1H10.10	NEWTON'S THIRD LAW
<b>Action and Reaction</b>		
<b>Push Me Pull Me Carts</b>		
		
		<p>Have two students stand on the carts (or skateboards) and grab the ends of the rope. Have only one student pull at a time and observe that they both move. Use a long stick for pushing, or push off of each other's hands.</p> <p><a href="#">Workshop Video</a></p>
