

# Quizbit Rubric: Grading for Completeness and Clarity

	<u>Rubric item</u>	<u>Description</u>	<u>Points</u> (Circle One)
<b>Completeness</b>	Relevant physics	High level                      Uses relevant physics in solution attempt	6
		Mid level                      Some, but not all physical concepts used are relevant to the situation	4
		Low level                      Physical concepts are mentioned	2
	All parts attempted	High level                      All parts of problem have significant effort shown	6
		Mid level                      Some parts of problem have significant effort shown	4
		Low level                      Some parts of problem are started	2
<b>Clarity of Communication</b>	Legibility	High level                      All parts of solution are legible	6
		Mid level                      Some parts of solution are hard to read	4
		Low level                      Significant parts of solution are hard and/or impossible to read	2
	Format	High level                      Solution is highly organized and leads the reader through from start to finish in a logical, easy to follow manner	6
		Mid level                      Solution is mostly organized, but it is necessary to hunt for important pieces	4
		Low level                      Path of solution is hard to follow. Important pieces of solution are scattered and unlabeled.	2
